Answer the following questions in a *thoughtful manner*. Please **type your responses individually for each** service activity in which you participated.

**1. WHAT?** (report what happened, objectively)

What happened? What did you observe? What issue or population is being served?

**2. SO WHAT?**

What did you learn? What difference did the event make?  
What difference did you make?

**3. NOW WHAT?**

What were your feelings about the service? What surprised you? What did you like about the experience? What did you dislike about the experience? What will you do next? Will you do this service again?
