

6th Grade

Parent Helper Opportunities

Parent assistance is needed for Mrs. Santucci in the following areas:

Paper Correcting

Regular weekly tests and some assignments create a mountain of paperwork. With a large class, this compounds quickly. Parents able to follow an answer key and mark errors on a set or two of papers per week will greatly support the timely entering of scores to Power School.

Library Liaison

Our Social Studies program opens the door to ancient world cultures. The students enjoy getting their hands on additional materials to supplement the learning. The Sno-Ilse and King County libraries have a treasure trove of materials available for us to check out, and the Library Liaison's job is to find them, gather them up, and deliver them to the classroom. Most of the work is done online easily.

Copy Machine Queen/King

Once a week, check with Mrs. Santucci and run off copies of necessary papers for the students. Royal Copier must be comfortable using the machine and all its functions, and be a stickler for neatness and accuracy. Day and time are flexible, however, the office Family Folder crew usually runs copies weekly on Tuesdays.

Fieldtrip Driver Coordinator

We will have at least two fieldtrips this year plus the track meet that will require parent drivers as our transportation. The Coordinator's task is to secure enough drivers to accommodate the number of passengers attending the trip. Coordinator must make sure all drivers are cleared with office well before the day of the event. **All fieldtrip drivers must have proof of car insurance, cleared Washington State's Criminal Background Check, a valid driver's license, and taken the Archdiocese Safe Environment class.

Community Experts

It would be fantastic to have real-world experts come into the classroom and share their knowledge with the kids. Could you investigate finding professionals who can add to the learning experience by visiting our class? Let's enrich our students!
